

# Web Career Portal - ER Diagram

Nicholas LaMothe / Fady Attia -- August 15, 2021

## Quick overview:

- Primary keys are notated: **underlined and bold (PK)**.
- Two arrowheads indicates a one-to-one relationship.
- If a foreign key forms part of the primary key, it will be shown alongside the **primary key (PK, FK)**.
- An arrowhead and a straight line is one-to-many.
- Simply a straight line will indicate that it is many-to-many.
